So many guesses have been published regarding the disposition of the Grand Central Palace property, recently purchased by the New York Central Railroad, that the following statement by Mr. Nathan of the Grand Central Palace Company

will be interesting:
"The New York Central will occupy only that part of the ground floor at the north side of the building now used by the postal authorities as a sub-station. This will not disturb the other tenants nor will it inter-fere with the making of future leases, as the railroad company, under the terms of sale, is not entitled to any other possession of the premises until 1908. The Grand Central Palace Company is having plans drawn for a new building, which is to be completed in 1908. It will be much larger than the present structure and will be so constructed as to accommodate spectacular events requiring a large amphitheater."

Private Sales.

Private Sales.

SONYA DOING POORLY.

Mast Buckled Again and Changes Are to Be Made.

The Sonya raced with the British boats Britomarte, Maymon and Moyana in the regatta of the Reyal North of Ireland Yacht Club after leaving the Clyde, and she was badly beaten. Now she has been taken to White Bros. yard at Cowes to be overhauled before taking part in the South of England regattas. She has had more trouble with her hollow mast, which buckled badly in one race, and that has to be strengthened again. her hollow mast, which buckled badly in one race, and that has to be strengthened again. Some lead has been taken off the keel of the boat and it is hoped that the changes made will improve her sailing qualities.

In the North of Ireland regatta, sailed on June 14, the Sonya got away second to the Maymon and on the reach to the first mark took the lead, turning 31 seconds ahead of the Maymon, 1 minute 40 seconds ahead of the Maymon, 1 minute 40 seconds ahead of the Moyana and 1 minute 85 seconds ahead of the Britomarte. At the second mark she sprung her mast and was forced to retire, and in the end the Maymon won, beating the Moyana 1 minute 25 seconds. The yachts raced in a good breeze.

In the Royal Ulster's regatta the Maymon won. The Moyana crossed the line too soon and did not return, so was disqualified. In the second race the Britomarte was the winner. This race was sailed in a good breeze and the Britomarie beat the Maymon 4 minutes 25 seconds.

It is understood that Sir Thomas Lipton is much pleased with the success of the British boats in this class. The Britomarte, the new one, has not done very well so far, but she has beaten the Sonya, and that was all that he wanted. The Britomarte seems to be improving and is expected to do well from this on.

Elmina Hauled Out for the Cruise. F F. Brewmer's new schooner yacht Elmina has gone to Greenport to haul out and clean for the cruise of the New York Yacht Club. This boat is in charge of Capt. Dennie, who made such a good record with the first

who made such a good record with the first boat Mr. Brewster owned of that name, and be expects to sweep everything before him this year.

The Elmina is in the finest possible shape and she will have an advantage over the Invader, because that boat had her first sail this week and it will be impossible to get her in the condition she should be for hard racing. These two boats will meet in the rendesveus cup race for the first time. They will race together in the squadron runs and then in the Astor sup. This race if the wind is steady will be a thorough test for the beats. After the cruise they will start in the 600 mile race of the Fastern Yacht Club from Marbiehead to Halifax. Intrepid Entered in Ocean Race.

Capt. Lloyd Phoenix has entered his auxil-tary yacht Intropid in the Halifat race of the Eastern Yacht Club, which will start on Aug. 21 from Marblehead. A special class has been is from Marbiehead. A special class has been made for auxiliaries, and in this is Henry T. Sloane's Idler as well as some other good boats. These two boats will meet in the squadron runs of the New York Yacht Club during the cruise, so by the time the ocean race is started they should be in good racing trim. The Intrepid is at New Lendon and is to be hauled out at Riverside to clean. The Weetamoe. H. F. Lippitt's 60-footer, is also hualed out at Riverside.
